The promotion, improvement, and expansion among the peoples of the world  
of the comprehension and understanding of  
Cosmology and the relation of the planet on which we live to the Universe,  
of the genesis and destiny of Man  
And his relation to God,  
And of the true teachings of Jesus Christ; and  
For the inculcation and appreciation of  
The Fatherhood of God and the Brotherhood of Man –  
In order to increase and enhance  
The comfort, happiness, and well being of Man,  
As an individual and as a member of society,  
through the fostering of a religion, a philosophy, and a cosmology  
which are commensurate with Man's intellectual and cultural development.
