The promotion, improvement, and expansion among the peoples of the world
of the comprehension and understanding of
Cosmology and the relation of the planet on which we live to the Universe,
of the genesis and destiny of Man
And his relation to God,
And of the true teachings of Jesus Christ; and
For the inculcation and appreciation of
The Fatherhood of God and the Brotherhood of Man –
In order to increase and enhance
The comfort, happiness, and well being of Man,
As an individual and as a member of society,
through the fostering of a religion, a philosophy, and a cosmology
which are commensurate with Man's intellectual and cultural development.
